

18 Panel Ready Dishwasher 8 settings 49dB Heritage Series

DW18PR

All Bertazzoni dishwashers are designed and engineered with the highest grade materials and components. This dishwasher accommodates standard kitchen panels over the door and is Energy Star compliant using as little as 3.5 gallons for a complete wash cycle.

The panel ready dishwasher offers superb cleaning performance with 3 spray arms to remove tough deposits. Load up to 8 place settings in the upper and lower baskets. Select one of the 6 available wash cycles and 4 wash options through the concealed LED interface. This top-of-the-line dishwasher is perfectly insulated and virtually inaudible at 49 DbA.

To mount a Bertazzoni handle kit on a custom kitchen cabinet panel; use brass threaded inserts available for purchase [here](#)

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable.
