

24 Panel Installed Dishwasher 14 settings 48dB Heritage Series

DW24XV

All Bertazzoni dishwashers are designed and engineered with the highest grade materials and components. Using one of the available handle kits in Professional, Master and Heritage Series style, this stainless dishwasher integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen. This dishwasher is Energy Star compliant using as little as 3.5 gallons for a complete wash cycle.

This XV model dishwasher offers superb cleaning performance with 3 spray arms to remove tough deposits. Load up to 14 place settings in the upper and lower baskets. The upper basket has a convenient one-touch height-adjustability. Select one of the 5 available wash cycles and 4 wash options through the concealed LED interface. This top-of-the-line dishwasher is perfectly insulated and virtually inaudible at 48 DbA.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable.

The new **Collezione Metalli** offers decorative details to enhance your Heritage Series range, hood, dishwasher or fridge. You can choose from three real metal finishes: Gold-plated, Copper-plated and Black Nickel-plated.
