

24 Panel Installed Dishwasher 16 settings 45dB Heritage Series

DW24XT

All Bertazzoni dishwashers are designed and engineered with the highest grade materials and components. Using one of the 3 available handle kits in Professional, Master and Heritage Series style, this stainless dishwasher integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen. This dishwasher is Energy Star compliant using as little as 3.5 gallons for a complete wash cycle.

This XT model dishwasher offers superb cleaning performance with 3 spray arms and the dedicated high-pressure Power-Zone to remove tough deposits. Load up to 16 place settings thanks to the flexible top cutlery drawer and the one-touch height-adjustable middle basket. Select one of the 6 available wash cycles and 5 wash options through the concealed LED interface. This top-of-the-line dishwasher is perfectly insulated and virtually inaudible at 45 DbA.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable.

The new **Collezione Metalli** offers decorative details to enhance your Heritage Series range, hood, dishwasher or fridge. You can choose from three real metal finishes: Gold-plated, Copper-plated and Black Nickel-plated.
