

48 inch Induction Range, 6 Heating Zones, Electric Oven Master Series

MAS486INMXV

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

This all-new induction range has 6 high-power heating zones with maximum power output of 3700W. The right-side heating zones can be bridged to create a larger cooking area. Each induction area is controlled with knobs and has a convenient read-out interface on the glass worktop.

The 4.7 cu.ft electric main oven with dual diagonal convection allows even baking and roasting on 7 shelf levels. A 2.4 cu.ft auxiliary electric oven with broiler helps prepare multiple dishes at the same time.

The soft-close oven door with edge-to-edge tempered glass is a masterpiece of European engineering and makes the oven door very easy to wipe clean.

The fingerprint resistant finish on all knobs, handles, and stainless steel oven door surfaces makes cleaning a breeze.

Optional **Collezione Metalli** décor sets knobs and handles are available in contrasting metals - satin gold and black nickel to personalize these accent style elements on your range, as well as all refrigerators and dishwashers in your kitchen suite.

All Bertazzoni appliances are covered by a 2-year warranty.

Specifications

Features

Worktop

Size	48 in
Cooking zones	6
Number of induction zones	6
Worktop type	induction
Worktop design	stainless steel with seamless edges
Worktop controls	metal knobs
Knobs	metal
Backguard	yes

Cooking zones

Induction front left	2300W (3700W booster)
Induction back left	2100W (3700W booster)
Induction center	2300W (3700W booster)
Induction back center	2600W (3700W booster)
Induction front right	2100W (3700W booster)
Induction back right	2100W (3700W booster)
Bridge function	yes

Oven cavity

Oven configuration	double
Oven fuel	electric
Oven convection system	dual diagonal with ring heating element
Oven type	electric convection
Oven levels	7
Oven volume	4.7 ft ³
Main oven type	electric multifunction
Main oven broiler type	electric
Main oven functions	bake / bottom bake / broiler / convection / convection bake / defrosting / fast preheat / pizza with turbo function / proofing / self-clean / turbo / upper bake
Auxiliary oven type	electric

Auxiliary oven broiler type	electric
Auxiliary oven functions	bake / bottom bake / broiler / proofing / upper bake
Auxiliary oven volume	2.4 ft ³
Oven controls	knobs
Inner oven door	squared 3 glasses
Removable inner glass	yes
Door hinges	soft motion
Wire-shelves	4 full size (with 1 telescopic glide)
Tray	1 baking tray with grill trivet
Grill trivet for tray	yes
Oven lights	double side mounted

Bottom

Toekick panel	yes
---------------	-----

Technical specifications

Absorbed current (A)	50 A with dedicated circuit
Electrical supply	120/240V 60Hz - 16800W or 120/208V - 60Hz - 13700W

Dimensions
