

## 24 Ceramic cooktop Professional Series

### P244CERNE

Bertazzoni rangetops and cooktops are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

The ceramic glass electric cooktops have a black glass maintop with stainless front and back edges and push-and-turn knobs. Four heating zones, with a 9-inch expandable dual-zone heating element and residual heat indicator, deliver complete cooking versatility and control.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable.
