

36 Cooktop 5-burner Professional Series

V36500X

Bertazzoni rangetops and cooktops are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

Available in a 5 burner configuration, Bertazzoni gas cooktops are crafted out of a single sheet of stainless steel of the highest grade, the signature engineering solution of all Bertazzoni mantops. This proprietary design makes the product very easy to clean. The triple-ring high-efficiency burner rated at 13,000 BTUs has separately controlled flames.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable.
