

30 inch All Gas Range, 4 Brass Burner Professional Series

PROF304GASXT

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

The high-efficiency maintop with 4 brass burners features a dual ring 19,000 BTU power-burner that boils water in under 6 minutes (best in class), and 3 additional MonoBloc burners of variable size and power to suit every style of cooking, with delicate simmer at 750 BTUs.

The 4.7 cubic feet oven cavity is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant large temperature gauge monitors the actual temperature in the oven. The extra wide infrared gas broiler is ideal for grilling and searing at high heat. The oven includes convenient features such as smooth telescopic glides for the oven shelves and soft-close doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable.
