

30 inch Induction Range, 4 Heating Zones, Electric Oven Professional Series

PROF304INMXE

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

This all-new induction range has 4 high-power heating zones with maximum power output of 3700W. The right-side heating zones can be bridged to create a larger cooking area. Each induction area is controlled with knobs and has a convenient read-out interface on the glass worktop.

The 4.7 cubic feet oven cavity is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant large temperature gauge monitors the actual temperature in the oven. The extra wide electric broiler with optional convection is ideal for grilling and searing at high heat. The oven includes convenient soft-motion doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable. 

Specifications

Features

Worktop

Size 30 in

Cooking zones 4

Number of induction zones 4

Worktop type induction

Worktop design stainless steel squared

Worktop controls knobs

Knobs metal coated

Backguard yes

Cooking zones

Induction front right Bridge 2100 W - 3700 W

Induction front left (Ø 5.75 in) 1400 W - 2200 W

Induction back right Bridge 2100 W - 3700 W

Induction back left (Ø 8.25 in) 2300 W - 3700 W

Oven cavity

Oven configuration single

Oven fuel electric

Oven type electric multifunction

Cooking modes bake / bottom bake / broil / convection / convection bake / convection broil / fast preheat / turbo / upper bake

Oven volume 4.7 ft³

Oven convection system dual horizontal fans

Inner oven door triple

Removable inner glass yes

Oven levels 7

Door hinges soft-motion
