

30 inch Electric Range, 4 Heating Zones, Electric Oven Professional Series

PROF304CEMXE

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

This range has 4 electric heating zones with maximum power output of 2100W. Each heating zone is controlled with metal finish knobs with ergonomic shape and has a convenient read-out interface on the glass worktop.

The 4.7 cubic feet oven cavity is the largest in its class, with dual horizontal convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant large temperature gauge monitors the actual temperature in the oven during pre-heating and baking. The 6-pass electric broiler with optional convection is ideal for broiling and grilling. The oven includes convenient soft-motion doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

All Bertazzoni appliances are covered by a 2-year warranty.

Specifications

Features

Worktop

Size	30 in
Cooking zones	4
Worktop type	electric
Knobs	metal coated
Backguard	yes

Cooking zones

Induction front right	Ø 6 ½ in - 1200 W
Induction front left	Ø 9 in - 2100 W
Induction back right	Ø 7 ¾ in - 1800 W
Induction back left	Ø 6 ½ in - 1200 W

Oven cavity

Oven configuration	single
Oven fuel	electric
Oven type	electric multifunction
Oven broiler type	electric
