

36 inch Induction Range, 5 Heating Zones, Electric Self-Clean Oven Professional Series

PROF365INSXT

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

This all-new induction range has 5 high-power heating zones with maximum power output of 3700W. The right-side heating zones can be bridged to create a larger cooking area. Each induction area is controlled with knobs and has a convenient read-out interface on the glass worktop.

The 5.7 cubic feet self-cleaning oven is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant digital temperature gauge monitors the actual temperature in the oven and has integrated controls in the bezel for the food temperature probe. The extra wide electric broiler with optional convection is ideal for grilling and searing at high heat. The oven includes convenient features such as smooth telescopic glides for the oven shelves and soft-close doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable. 

Specifications

Features

Worktop

Size 36 in

Cooking zones 5

Number of induction zones 5

Worktop type induction

Worktop design stainless steel squared

Worktop controls knobs

Knobs metal coated

Backguard yes

Cooking zones

Induction front right Bridge 2100 W - 3700 W

Induction front left (Ø 5.75 in) 1400 W - 2200 W

Induction back right Bridge 2100 W - 3700 W

Induction back left (Ø 8.25 in) 2300 W - 3700 W

Induction center (Ø 8.25 in) 2300 W - 3700 W

Oven cavity

Oven configuration single

Oven fuel electric

Oven type self-clean

Cooking modes bake / broil / convection / convection bake / convection broil / defrosting / dehydrate / proofing / pyrolytic self clean / turbo / warming

Oven volume 5.7 ft³

Oven convection system dual diagonal with heating element

Inner oven door triple

Removable inner glass yes

Oven levels 7

Food probe yes

Door hinges soft-motion

Sliding shelves 1 standard

Wire-shelves	2 heavy gauge chromed
Tray	1 enamelled
Grill trivet for tray	yes
Oven lights	double lateral

Bottom

Legs	stainless steel
