

24 Wallmount Canopy Hood, 1 motor CFM 400 Professional Series

KU24PRO1XV

All Bertazzoni hoods are designed, engineered and made in Italy using the highest grade materials and components. Every hood pairs perfectly with all Bertazzoni ranges, rangetops and cooktops of the same size and integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

Powered by a 400 CFM motor with three power settings, this stainless steel canopy hood comes with aluminum mesh filters or optional baffle filters, all easily removable and dishwasher safe. Halogen lights provide bright illumination of the cooking surface under the hood. It can be installed under a cabinet, or on the wall using a choice of duct cover accessories provided in multiple widths and heights to fit most ceiling heights. It can be vented out or recirculated.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable. 

Specifications
