

30 Telescopic extension hood, 1 motor 500 CFM Professional Series

KTV30PRO1X

All Bertazzoni hoods are designed, engineered and made in Italy using the highest grade materials and components. Every hood pairs perfectly with all Bertazzoni ranges, rangetops and cooktops of the same size and integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

Powered by a 500 CFM motor with three power settings, this telescopic hood extends almost 9" from the cabinet when in operation. It comes with aluminum mesh filters, easily removable and dishwasher safe. Halogen lights provide bright illumination of the cooking surface under the hood. It is installed inside the upper cabinet above the cooking surface and can be vented out or recirculated.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable. ♻️
