

## 36 Wallmount Hood, 1 motor Professional Series

### **K36CONX/14**

All Bertazzoni hoods are designed, engineered and made in Italy using the highest grade materials and components. Every hood pairs perfectly with all Bertazzoni ranges, rangetops and cooktops of the same size and integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

Powered by a 600 CFM motor with three power settings, this elegant stainless steel hood comes with aluminum mesh filters or optional baffle filters, all easily removable and dishwasher safe. Halogen lights provide bright illumination of the cooking surface under the hood. It installs on the wall with the included height-adjustable duct cover and can be vented out or recirculated.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable. 

# Specifications

## Features
